Show me, show me

**[G] Show me how you [D] do that trick
The [Am] one that makes me [C] scream she said
The [G] one that makes me [D] laugh she said
And [Am] threw her arms a-[C]round my neck
[G] Show me how you [D] do it and I [Am] promise you
I [C] promise that I'll run a-[G]way with you
[D] I'll run a -[Am]way with you [C]**

[G] [D] [Am] [C] (X2)

**[G] Spinning on that [D] dizzy edge,
I [Am] kissed her face I [C] kissed her head
And [G] dreamed of all the [D] different ways
I [Am] had to make her [C] glow.
[G] Why are you so [D] far away.
She [Am] said won't you [C] ever know
That I'm in [G] love with you
[D] That I'm in [Am] love with you [C]**

**[Em] You [F] soft and only
[Em] You [F] lost and lonely
[Em] You [F] strange as angels
[C] Dancing in the deepest oceans
[D] Twisting in the water you're just like a [G] dream [D] [Am] [C]
Just like a [G] dream [D] [Am] [C]**

**[G] Daylight licked me [D]into shape
I [Am] must have been a-[C]sleep for days.
And [G] moving lips to [D] breathe her name
I [Am] opened up my [C] eyes
And [G] found myself a-[D]lone alone
A-[Am]lone above a [C] raging sea
That [G] stole the only [D] girl I loved
And [Am] drowned her deep in-[C]side of me**

**[Em] You [F] soft and only
[Em] You [F] lost and lonely
[Em] You [F] just like heaven [C]**
